Subject: Scholarship Application for Postgraduate Studies

Dear Sir/Madam,

I am writing this letter to apply for a postgraduate scholarship offered by the PQR Trust. I have recently completed my Bachelor's degree in Political Science from XYZ University and wish to pursue a Master's degree in the same field. However, my family's financial situation is not conducive to supporting my education, and I am in need of financial assistance.

I have a strong academic background, with a GPA of 3.8, and have participated in several extracurricular activities, including serving as a member of the university debate team and volunteering at a local political campaign. I am confident that with this scholarship, I will be able to achieve my academic goals and contribute positively to society.

I have enclosed all the necessary documents along with this letter, including my academic records, financial documents, and a recommendation letter from my academic advisor. I hope that you will consider my application and provide me with an opportunity to pursue my education.

Thank you for your time and consideration.

Sincerely,

Priyanka Singh
