Scholarship Application letter for Undergraduate Studies

Dear Sir/Madam,

I am writing this letter to apply for an undergraduate scholarship offered by the GHI Foundation. I am a recent high school graduate and wish to pursue a Bachelor's degree in Economics from ABC University. However, my family's financial situation is not conducive to supporting my education, and I am in need of financial assistance.

I have a strong academic record, with a GPA of 3.7, and I have participated in several extracurricular activities such as volunteering at a local NGO and serving as a member of the student council. I am confident that with this scholarship, I will be able to achieve my academic goals and contribute positively to society.

I have enclosed all the necessary documents along with this letter, including my academic records, financial documents, and a recommendation letter from my high school teacher. I hope that you will consider my application and provide me with an opportunity to pursue my education.

Thank you for your time and consideration.

Sincerely,

Anuj Sharma
